 3. Increase positive awareness about the sustainability of Adidas' products by 30% by the end of 2025
- 

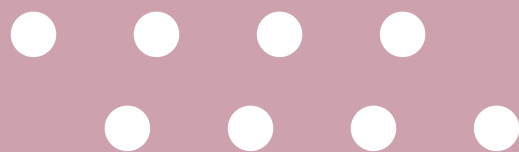

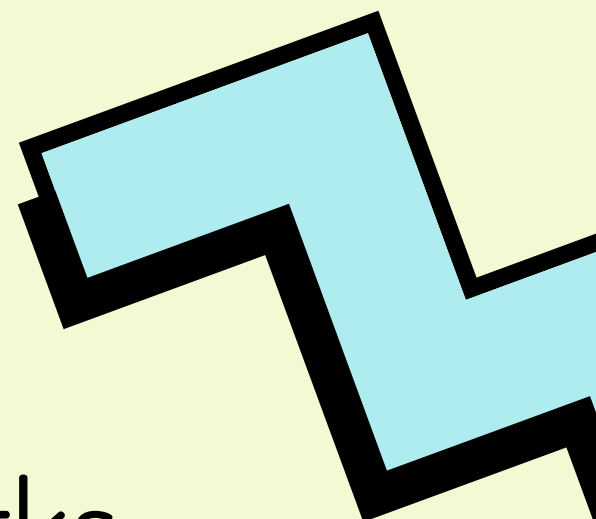

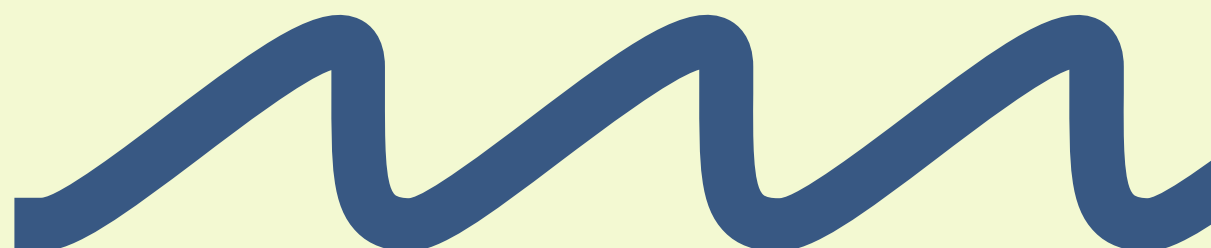

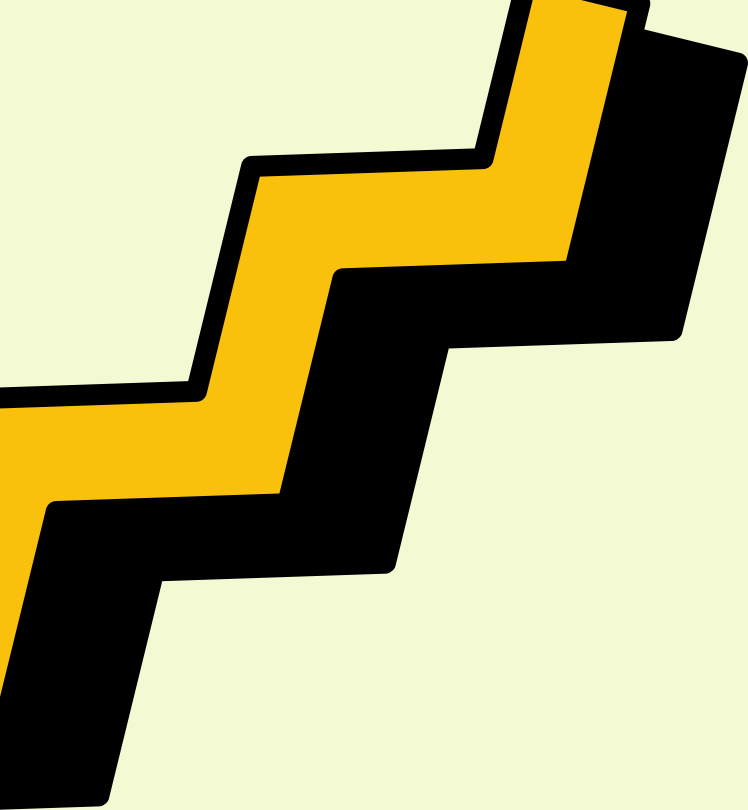

TARGET AUDIENCE

- **Demographics:** Women age 25–33 primarily living in the northeast or west coast; work full time jobs
- **Psychographics:** Creative individuals with strong interests in art, music, and urban culture
- **Behavior:** Heavily influenced by fashion; keep up with social media trends; active lifestyles

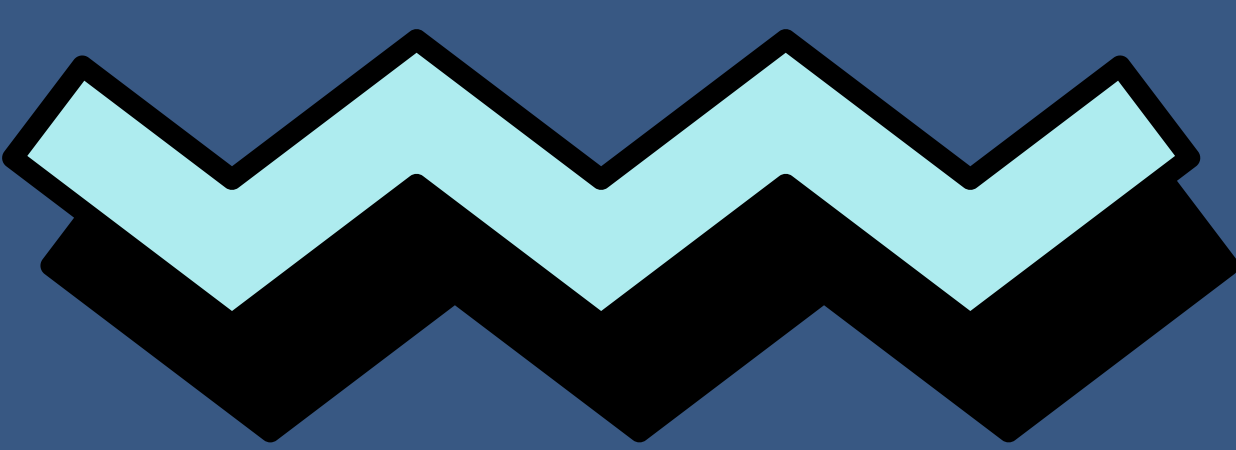

POSITIONING STATEMENT

For the 27-year-old woman who needs footwear that works all day long, Adidas Gazelles are the shoes that can fit in any situation because of their style, comfort, and design.

BRANDING STRATEGY

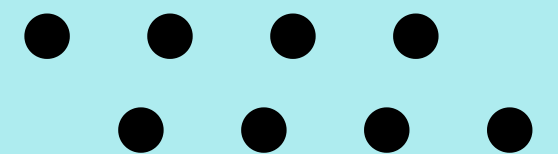

- **Goal:** Build strong brand associations that blend performance and style for everyday life.
- **Desired Brand Associations:** urban, classic, modern, chic, trendy, athletic, vibrant, timeless
- If Adidas were a person, they would be confident, environmentally conscious, adventurous, stylish, ambitious/performance-driven, and versatile.
- This connects to our target audience because consumers seek versatile footwear that supports both fashion and function across different aspects of their lives.

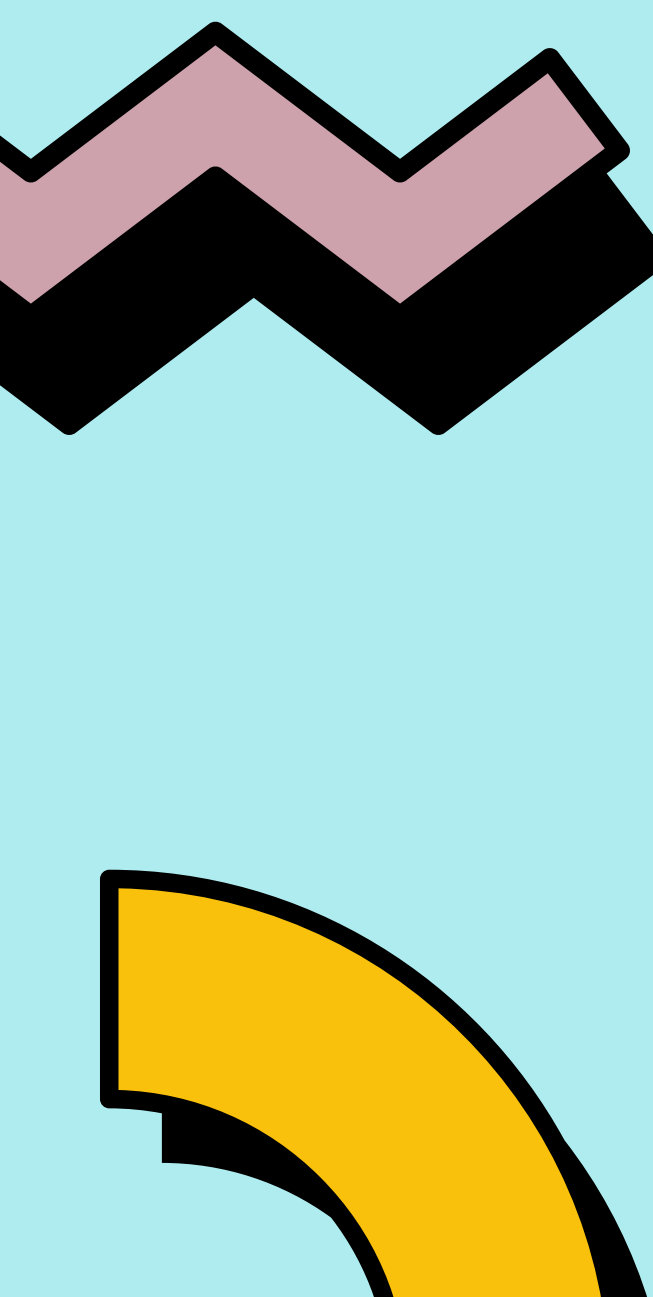

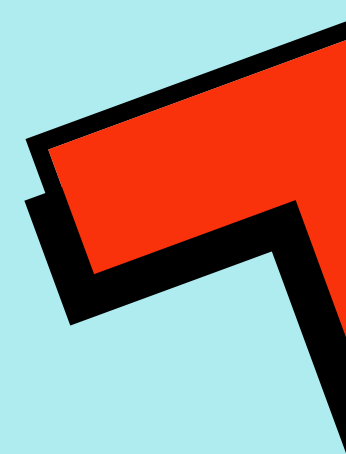

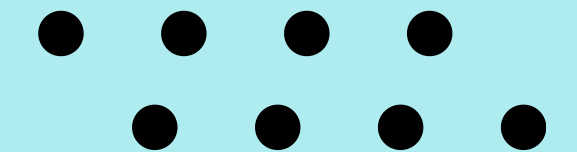

CAMPAIGN STRATEGY

- 
- The Gazelle is more than a shoe—it's a stylish, reliable companion for daily life.
 - Campaign emphasizes emotions and identity over product features. We want it to be vibrant and empowering.
 - Designed to resonate with active, socially engaged individuals navigating dynamic lifestyles.
 - Our goal is to make the audience feel energized, capable, stylish, and unstoppable
 - Our tone is uplifting and affirming to boost confidence and well-being.

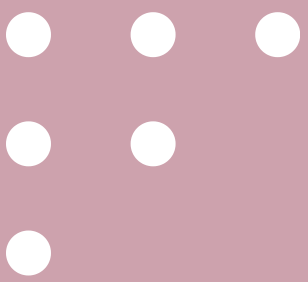

TACTICAL RECOMMENDATIONS/CREATIVE SAMPLES

- 
- 
1. **Short video ads (TikTok):** shows the versatility of the shoe with different styled outfits
 2. **Long video ads:** background and outfits constantly change as someone walks through their day to prove that it is an everyday shoe and can be styled to fit any occasion
 3. **Social media competition:** allows people to show off their style and creativity by posting their favorite ways to wear the Gazelle shoe. To attract more competitors, there will be a reward at the end, such as designing a new pair of Gazelles
- 

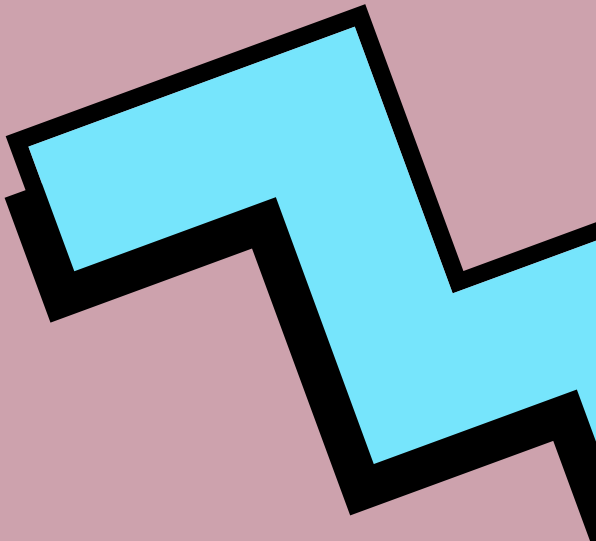

CREATIVE SAMPLE 1
